Junior Interior Architect – Fixed-term / Permanent contract (CDD/CDI)
Professional, motivated, and dedicated, I am looking to join a design studio where I can grow and build my long-term professional career. Serious, adaptable, and eager to learn, I place great importance on quality work, creativity, and teamwork.
I am seeking a fixed-term/permanent position with a strong intention to establish myself within a studio. My goal is to further develop my skills, take on greater responsibilities, and contribute to ambitious projects.

PROFESSIONAL EXPERIENCE

Interior Architecture Apprentice | 2024 - 2026 | Elegencia Deco | Cannes
Management of high-end projects, from concept development through to final delivery. Development of architectural and design concepts, production of technical drawings, 3D modeling, and creation of photorealistic visualizations. Coordination of craftsmen, contractors, and various stakeholders, with rigorous site supervision at every stage of the project.

Interior Architecture Apprentice | 2022 - 2023 | Maison Elys | La Turbie
Participation in residential and public-access projects (offices, restaurants, retail spaces), from design phase to completion. Creation of drawings, 3D models, and presentation visuals. Involvement in material selection and procurement, as well as preparation of administrative documents (building permits, planning applications, and facade modifications).
